

Loving Your Sequestered Man

It's a tough Father's Day

1. **Forgive** (Eph 4:32)

Kindness and a tender heart are essential to forgiveness

Basis: we are forgiven people

2. **Respect** (Eph 5:33)

You don't know my dad!

We respect as an act of mercy, not just on merit.

It's about relating with others as Jesus relates with us.

3. **Accept** (Rom 15:7)

Did you know men want to be accepted?

My #1 reason men don't share more of their insides

Accepting and fixing are often on a collision course

You don't nag your man into changing; you pray him there.

Basis: we are accepted by Christ
